Message Text: Micah 6:6-8

Message Title: Ordination of Kris Haugen

Questions:

1. As we gathered for worship by singing together, Nate shared about 1 Samuel 3:1-10. Read these verses together. In what ways have you felt God's calling as Samuel & Kris have experienced?

2. Read Micah 6:6-8. Bryan called Kris to act justly in response to the calling of leadership in our church. Are you using any leadership role to manipulate and use the people around you (like the leaders in Micah 3), or are you showing others their value by taking your role seriously?

3. Mark talked about how mercy is to withhold punishment deserved. How could having a heart of mercy impact your life? How could a shift in merciful compassion show others their value to God?

4. Consider someone you could extend mercy to this week. What would this look like? Ask someone in the group to follow up, holding you accountable for choosing to be merciful this week.

5. Nathan encouraged us to walk humbly with our God, as Micah instructed. We want God to catch up to us or slow down His plans, but we are to walk with God in humility. Are you feeling arrogant or overconfident in your relationship with or understanding of God?

6. When you are focused on your God individually and are intentional about your relationship with God, what is different about your life?

7. Which of these three things, acting justly, loving mercy, and walking humbly with God, is most necessary for you to develop and actively pursue? What does pursuing this look like?
