Date: 09.06.26
Scripture: Ephesians
Speaker: Pastor Bryan Marvel
Message: Reflecting on 10 Years
Big Idea: God will sustain us through all seasons of life.

1. How long have you been at Meadowbrook Church? What are some of the highlights of your time at Meadowbrook? How has God met you during your time here?
2. Read Ephesians 1:15-23. Paul prays that the church would know God better. What does it mean to know God? How do you get to know God better?
3. Pastor Bryan shared the vision of Meadowbrook helping people know the hope of Jesus by being both a hospital and a home. How can a healthy church be both a hospital for those who are hurting, and a home for those who are looking for a place to belong?
4. Share a time when you personally experienced the church as a hospital or a home.
5. Seasons of disruption are a common part of life, and it can be tempting to try to get through them by leaning on our own wisdom. Why is it important to pray for God's wisdom as disruptions hit our lives? How can we tell if wisdom is actually from God and not just from ourselves?
6. Paul prays for the church to know "God's incomparably great power." Share about a time when you saw God show up in a powerful way during a hard season in your life.
7. Read Ephesians 2:19-22. How does Jesus being our foundation help us navigate different challenges and changes in our lives? What happens if our foundation is not in Jesus during these times?
8. Read Ephesians 4:11-16. How is the metaphor of a body helpful when thinking about how a healthy church should function?
9. Healthy things grow and multiply. As you look at the next season of your own life, where might God be working in you to bring growth and to multiply your faith?
10. As you look at the next season for Meadowbrook Church as a whole, how might God be working to bring growth and multiplication?
11. Take time to pray for each other,asking God for His wisdom and power for the next steps He may be calling you to take. Then take time to pray for Meadowbrook Church to be a body of believers that helps others know Jesus and the hope found only in Him.
